

CALLED FOR EXAMINATION.
Fifst Two Hundred and Fifty Men
Will Report This Week—These
Men Listed.

From the headquarters of the examining board in McPherson have come orders to two hundred and fifty men to report for physical examination. The first group was examined Thursday, the second, today and group three will be called tomorrow. It is thought that this county's quota of seventy-seven will be secured from the total of two hundred and fifty summoned. Should exemptions and physical disability cut deeper than expected, the examining board will call additional men.

The calls as issued designate the time, date and place of the examination, the first group appearing during the hours of Thursday, second group Friday and the third Saturday. The call is brief and to the point. It is well for all who intend to claim exemption to remember that said intention must be filed with the examining board on or before the seventh day after the mailing of the notice. Following the filing of claims for exemption additional time will be given to file the exemption paper. As we understand the matter it simply means that unless the men called signify their intentions to file exemptions before the board on or before the seventh day after the mailing of the notice, no later exemption claims will be entertained by the board.

It is understood that no notice was sent to any registered man earlier than July 28 thus giving every candidate ample time to file his intentions after subjecting himself to the physical examination. The board will provide special blanks for this purpose.

All men drawn this side of two hundred and fifty will appear. In the event anyone's number is re-

corded in the first two hundred and fifty and such individual has received no notice to appear it is well for him to look at the lists as they appear in the local post-office. If the master list contains your name and you have received no notice, you must appear before the board.

Any additional information can be secured at the office of the board on the day set for your examination. The following have been summoned to appear:
