Dear sir;-

By this time you should have received membership card, book and letters. Under Propoganda you will have noted a good many things. What are conditions about Linsborg? I have had a great many complaints from there.

You certainly must appreciate the object of our organization, to which you have subscribed, so I want you to be frank with me and tell me what you know of the situation there.

Appreciating your membership I wish to remain,

Yours very truly,
